PROPOSED AMENDMENTS TO THE SAWYER COUNTY ZONING ORDINANCE

Our mission is to preserve agricultural land for farming--as found in Objective: 2 found on p 5-35. The Plan Commission's recommendation is for the board to discuss deletion of items 16-23 under A-1 and to discuss deletion of items 16-17 and 20-24 under A-2. It is our belief these items are not congruent with farming.
We would like to visit the possibility of creating a large animal feeding operation ordinance (CAFO) in September or October 2019.
