June 13th, 2022 Water Testing Committee minutes:

Don Stover called the meeting to order at 2:00pm.

In attendance were Kay Wilson and Ginny Chabek.

Minutes of the May 16th meeting were approved by Wilson, Seconded by Chabek

Communication -

Reviewed plan for the June 25th meeting. Since Matt was not available, there were no changes to what was previously discussed.

Reviewed the map and decided to send out 24 additional letters to specific roads where we had no data. Printed letters, stuffed envelopes and Chabek offered to mail them.

Updated the map to show all of the current applications.

No future meetings were scheduled at that time.

Meeting adjourned at 2:30

Ginny Chabek
