BOARD MEMBERS PRESENT Don Stover, Clerk Kathy McCoy

AUDIENCE: None

Call to order at 6:00 p.m.

2.) Certification of Meeting Posting – Posted on September 16 by the clerk Kathy McCoy at all 3 locations

ACTION Approval of Agenda - Motion by Don 2nd by Jane, unanimous approval
Public Comments - None

3.) Discussion and Action: Amend Resolution in support of Town Board Resolution No. 02-2020 Concerns and Ideas for ATV/UTV Traffic on Town Roadways

Clarification that the resolution referenced a TAP grant that does not apply to planning for ATV/UTV trails beside roadways.

The intent of the commission support is to also find funding for ATV/UTV trails to bypass roads.

Additional emphasis on safety rather than economic development. Support for the Board on specific items from the Town Plan, Town Survey and State Statutes.

Discussion on the video as it shows that the only way to not have a tragedy is to prevent it. It's a powerful video that aligns with our specific issues.

2 Typos corrected on page 1, within(g) and (f)or

Question about enforcement challenges. And if it should be added as a whereas statement. Decided to add 'and enforcement' to the Therefore statement.

Noise was added as a problem as it is a primary complaint of many in response to having ATV/UTVs on the roads.

The resolution is meant to support the board resolution on how to add / change routes.

Motion to approve the amended resolution with stated changes by Ginny, 2nd by Jane. All approved with Don recusing.

Motion to adjourn by Martin, 2nd by Don to adjourn at 6:40pm.
