

TOWN OF ROUND LAKE PUBLIC HEARING
Non-Metallic Mining Licenses Travis Butterfield
April 11, 2024

Public Hearing convened at 5:00 p.m. present was 8 in person audience members and 2 one line individuals. Darrel Mast – Spoke in favor of Mining License – need for gravel in area. High clay content of material / gravel in this area makes for a high quality product – problem with trying to keep up with demand in this area. Travis Butterfield (applicant) spoke in favor of licenses – small scale operation – Round Lake has clay cap which makes for quality gravel in this area. Kathy McCoy – spoke in support of application Mr. Butterfield has provided all information required in application. Ann Berlage - in favor of application – license approval.

Clerk McCoy confirmed that no written comments had been received.

License application will be placed on May 9, 2024 Regular Board Meeting agenda.

Hearing Adjourned at 5:30 p.m.

Respectfully submitted,

Kathy McCoy
