

Town of Round Lake Volunteer Fire Department – Volunteers Needed

The Town of Round Lake Volunteer Fire Department is currently seeking additional volunteers to help serve and protect the community.

We are looking for individuals interested in becoming:

- Volunteer Firefighters
- Fire Inspectors

Fire Inspector Information

Individuals interested in becoming Fire Inspectors must first become members of the Town of Round Lake Volunteer Fire Department. Fire inspections are an important part of helping improve public safety, reducing fire hazards, and assisting residents and businesses with fire prevention efforts throughout the Town.

Training required for fire inspections will be provided and paid for by the Town.

Compensation is available for inspections being completed.

Volunteer Firefighter Information

No prior firefighting experience is required. All required training, classes, and certifications are covered and paid for by the Town.

Volunteer firefighters also receive compensation for:

- Emergency calls/runs
- Training attended
- Certain department activities and duties

Why Volunteer?

Volunteering with the Fire Department is an opportunity to:

- Help protect your community
- Assist neighbors during emergencies
- Learn valuable emergency response and public safety skills
- Gain leadership, teamwork, and problem-solving experience
- Become involved in an important community service organization
- Help improve emergency response times and capabilities within the Town
- Support residents during fires, medical emergencies, storms, accidents, and other emergencies
- Build strong community relationships and friendships

Volunteer departments are a critical part of rural communities like the Town of Round Lake. Additional volunteers help ensure the Town can continue providing quality Fire and EMS services to residents and visitors alike.

Whether you are interested in emergency response, public service, inspections, helping behind the scenes, or simply learning more, we encourage you to reach out with questions.
